The Detroit Edison Co.**We Welcome the Farmers Account**

Do you live in the country? If so, you have a special need for the bank. The farmer's money usually comes in large sums, and unless he has a bank account he must either carry it with him or keep it hidden around the house. Either way he is likely to lose all he has. It is far better to deposit it in the bank and use a check book to pay bills with. We welcome the farmer's account and give him every accommodation. We will be glad to explain any banking term fully and give you any other help we can.

Wednesday evening Henry Lee received a letter from his son Norman, dated November 14th, in which he stated that he had not joined his company yet, but hoped to be with them soon. He did not know when he would be home, but that did not worry him much now that they no longer had to dodge German bullets. Norman said he was feeling fine. The editor also received a letter from Albert Goers, which we will publish next week. Nearly everyone in town who has relatives overseas received letters that evening, the first since the cessation of the war.

For Your Furniture**For Your Piano and Other Fine Furniture**
Be Careful of the Polish You Use on Them

Do not take chances. Use O-Cedar Polish. Use it as directed on the bottle. The results are sure to be satisfactory. You will be delighted because O-Cedar Polish cleans, dusts, polishes and beautifies all at once—the same time.

All dust and grime will disappear and the beauty of the grain is brought out. Then comes a hard, dry, lasting lustre that does not get gummy or sticky.

And O-Cedar is as easy to use as it is safe. Simply dampen a piece of cloth with water, wring it almost dry.

Then pour on as much O-Cedar Polish as the cloth contains water. Go over your furniture

with this and polish with a dry cloth. This brings the O-Cedar Result. And it is guaranteed to please you or your money will be refunded.

Wonderful for Automobiles

Picture your car when you first bought it. How bright it was and how it fairly shone. You can bring back the original lustre by using O-Cedar Polish. You will notice it will not collect dust easily. And what does settle on it can be removed with a duster or dust cloth.

Free Booklet

Sarah J. McLeod, instructor in Household Science, has written a booklet describing the use of O-Cedar in the home. Send a postal for a copy of this booklet.

**Be Strong**

THE strong and vigorous man or
woman is envied by less fortunate
humans afflicted with aches, pains,
infirmities and ailments. The sufferer
says to himself, "If I could only be
well, how happy I would be." For health
is more essential to the joy of living
than is wealth.

The kidneys almost literally wash the
blood and keep it clean and free from
impurities. When the kidneys are out of
order, they fail to do their duty, and the
poisonous matter, which is the cause of
rheumatic pains, sore muscles and
all kinds of ailments.

C. W. Smith, 1235 No. 4th St., Dallas, Tex.,
writes: "I am very much pleased with Foley
Kidney Pills. I am working in a coal yard and
have been very much troubled with back
ache, rheumatic pains, sore muscles and
all kinds of ailments. I have taken several boxes of Foley Kidney Pills
and they have cured me."
