

## Suppose you called a meeting and the conference room didn't show up.

"Uhhh...er. Gee, sir, we'll uh, see if we can round up a card table or two and some folding chairs..."

It *could* happen, you know. That furniture you ordered from a catalog weeks ago could be outside a truck-stop somewhere on the interstate. Meanwhile, you're left holding the bag.

But it'll never — but *never* — happen with Silver's Instant Office service.

### One Office To Go. Everything In It.

We're ready to go when you are. Our warehouse is always well-stocked with our Instant Office items. Chairs, desks, sofas, lamps, pictures and every accessory in between.

It's no slapdash, odds'n ends affair, either. Silver's Instant Office just doesn't work that way. You may have an empty room today, but

tomorrow you can have a completely furnished office. Tastefully coordinated and designed with the Silver's touch.

### To See Is To Believe.

"Show me," you say? No problem at all. All Instant Office merchandise is prominently displayed in our showrooms. Over 300 items in all sorts of colors, styles and price ranges.

And speaking of price, you pay no delivery charges or installation fees. It's

all part of Silver's Instant Office service.

### Just Add The Touch.

Stop in at either of our two showrooms. One at 16350 Woodward. The other at the Tel-Twelve Mall where we're open until 9:00 p.m. on Tuesdays and Thursdays, 6:00 p.m. on Saturdays.

Silver's. Where all your office problems are cured. Instantly.
