On Friday it's fish

The Plymouth Lions Club fish dinner is the BIG event on Friday of the festival.

Members of the club have mastered the art of cooking the ocean perch—crispy golden brown on the outside and tender and flaky inside. The menu also includes french fries, cole slaw, roll and butter, and beverage.

The serving line on Penniman Avenue across from Kellogg Park will open at 11 a.m. Serving will continue until the food runs out or the line is empty in the evening.

Cost of the meal is \$2.75 with the special rate of \$1.75 for senior citizens.

Dale Dauderman is chairman of the dinner this year. The whole club mem-

bership pitches in to assist on this, their prime fundraiser of the year.

Rainbow Girls back this year

After an absence of several years, the Rainbow Girls will be back this year.

They will be in their old stand on the lawn in front of the Masonic Temple serving refreshments.

Fall Festival visitors will be able to snack on their homemade cookies or get a refreshing drink of Coke or coffee.
