

Grand prize winner

Grand prize winner of the decorated store windows last year was the Plymouth Branch Division of the Woman's National Farm and Garden Association. Their old-fashioned schoolroom was complete to the last detail. Each piece of furniture, the accessories, and clothing of the teacher and students was authentic. There was even a little mouse in the corner. Store window decorations is a project of the Plymouth Merchants Association with Joan Gerigk as chairperson. Theme this year fits right into the bicentennial. It is "200 years of American heritage." (Staff photo by Maurie Walker)
