Brodhead outlines crime plan

by local, state and federal governments, and the program who are load off die to financial crimericans of the executive board of the Police Officers. Association of Michaelan (POAM) at the Troy Halton.

Crime has before an epidemic in Machagan and around the county from amportant, and the county of the executive of the program of the executive of the program of the executive of

Brothesd outlined a four-point probram to fight crune
BIS FIRST STEP is to provide federal funds to immediately return poince officers who are last off due to financial crites. Brothesd audit that a beginning on that legislation was made in 1978 with the passage of the new federal public works bill like advocated that the program be extended.

crime in our urban areas is drug related."

said Brodhead "Thus is one area where
the federal government can make a real
sufference"

His foorth loss is to reseatablish proclist foorth loss is to reseatablish procprograms when dil.EAAI datablish procprograms when dil.EAAI datablish procprograms when will effect an immediate
crime decrease.

Brodhead aboo cited the need for strongBrodhead aboo to the state and local
servis. He said that governments must be
prepared to shore up the law enforcement
efforts of local governments arrapped by ithancial wors.
