Some claim that by using a variation of your name, such as including your middle name or initial in your signature (or deleting it), you can change your fate and fortune.

In any case theme; you many ways of eccentuming your name number that by saving with it a bit you can find a way to laim the your name is but you can find a way to laim for your own. Suppose your name is John Joseph mith. You might call yourself "John mith." John J. Smith, "John J. Smi

Suppose your name is John Joseph Smith. You might call yourself "John Smith." John J. Smith. "John Smith." John J. Smith. "John Smith." John Smith. "John Smith. "John Smith." John Smith. "John Smith."

Using the chart above, transcribe your name into numbers. For example, M. A. R. Y. R. O. B. E. R. T. S.

ber "S" for Mary Roberts.

Latier somersbegtiss see a simpler method and cones up with an altogether different aumber.

Using the simpler method, the numbers are added straight across to arrive at a sum. Then the digits of the sum are added together to arrive at a smaller sum. This is continued until only one digit series in the continued until only one digit series in the sumber is "one"
