For the sports enthusiast, sunglasses make a perfect gift for all seasons. They're a thoughtful gift that can go right from under the Christmas tree onto the ski slopes, toboggan run or skating rink. The glare of snow and ice in winter is just as harsh as the reflection from water and sand in the summer. Winter sports call for darker lenses than the usual 30 per cent filter on regular sunglasses.

McCULLOCH
now with **CHAIN BRAKE**
• The professional safety feature!

Features:

- New chain brake that stops the moving chain in milliseconds and is engaged automatically.
- 14" high speed cutting chain with 21 teeth.
