**AN HONOR** that has been long overdue was paid to Helen Shabli the former Detroit Bowling Queen when she was named to the Women's International Bowling Congress Hall of Fame.

Now a resident of Brooklyn, Mich., she not only was a star of the ladies top leagues in the area, but was the first woman to sweep all four events in the international bowling tournament in Mexico more than a decade ago.

As a member of the Shaler team and later of the top flight Cunningham team, Helen dominated the game, both on the lanes and later when she became an instructor at Merris Bowl in Livonia.

Afflicted with arthritis at the peak of her career, Helen fought gamely. At one time to compensate for the pain in her hand and arms she used a four-finger ball—the only bowler in the area to go to such lengths to keep on top of her game.

When she is inducted into the Hall next spring she will join Louise Stockdale, Stella Hartack and Elvira Töpfer, the other Detroiters who have been so honored.

**ONE OF THEIR** happiest bowlers in the metropolitan area this week is Marge Kropacek, the Plymouth housewife who is captain of the Mr. F. team in the women's air star league. And she has good reason.

Bowling in the Bowlerettes at Motor Lakes Monday night her team rolled a 117 which is one of the highest games of

the year to pace the league. On top of that Gale Grwick, a member of the team had high single with a 256.

"And beside that," she said, "we won two games from one of the top teams in the league."

**ANOTHER WELL PLEASED** bowler is Ann Setlock, day manager at Garden Lakes—but not for anything she accomplished on the lanes during the week.

My young niece Patty Setlock who carries a 112 average she said, "came through with games of 181, 188 and 185 for 481 in our junior league."

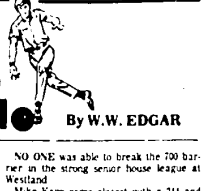

Ann pointed out that Patty is the only member of the family who might follow in her footsteps to the major leagues.

Brad Lackey learned what it is like to bowl under pressure this week in the Garden Lakes Classic. After starting with games of 235 and 258, there were visitors of a 700 series. Then it happened. He dropped to a 191 finisher for a 674 to pace the league.

Right behind him came Mard Caddie with a 653 and Jerry Fisher landed third with 680.

In the Moose League it was Mirkes Cavetka who led the parade with a 680. At that figure he had a 50 pin edge on Mike Debus, Don McChie bowled an even 600 to land third.

In the senior citizens league Joseph Cuskey showed the way with a 597 and Ken Via trailed him with a 593.

**Shrine game slated Dec. 17**

The first annual North South Shrine football game will be played Dec. 17 at the Pontiac Silverdome. This will mark the first time that the game has been played in the North and the first in the Midwest.

Coaches for the North this year will be Alex Arose, former coach at Purdue and Ben Martin, from the Air Force Academy. Arose will be handling the defense, while Martin will be coaching the offense.

The South coaches are Al Ontra, the head coach at Mississippi State. Tye will be boss with the defense and Ole Bro will with the offense.

Offensive back Tom Harmon and line backer Otto Smith will be Michigan State University's representatives in the game.

Harmon, a 200-pounder, had 18 solo tackles and 40 assists for the Spartans this year. He also broke up eight passes and saved nine punts in his 10 games, including three against Ohio State.

Smith, a 235-pounder, had 41 solo tackles and 48 assists from the outside linebacker spot.
