It takes an expert to grade beef!

In our great country we're lucky. Our government trains and employs experts... men who inspect and grade beef at hundreds of locations throughout the nation. They protect you... and retailers, like us. That's why A&P is happy there's a U.S. government inspector on the premises of our meat plant serving this area.

Also important are A&P's own beef experts. Their job is to see to it that A&P Beef measures up to our own "SUPER-RIGHT" quality standards... standards which don't exactly fit our government's grading categories. For instance, some beef graded U.S. Choice just doesn't meet our "SUPER-RIGHT" specifications.

No wonder we don't hesitate to guarantee that the "SUPER-RIGHT" Beef you buy will be as flavorful and tender as you think it should be, or your money back.

So, you don't have to become an expert to choose great beef for your family... just shop A&P!
