Tenderay Takes The Guesswork Out of Buying Beef!

Kroger selects only U.S.D.A. CHOICE grain-fed beef for Tenderay...places this fine beef in special rooms where temperature, humidity and air circulation are regulated to speed up natural tendering action...to protect natural juices and flavor. That's why you can be sure your beef is both fresh and tender everytime you buy Kroger Tenderay Brand Beef.

If you want the best in beef, Kroger Tenderay Brand Beef offers you a wide variety of cuts... guaranteed quality... and more eating meat for your money because it's triple-trimmed. Kroger Tenderay Beef is the only beef you don't have to trim again at home. Kroger's triple-trim removes excess fat, bone and waste before the meat is weighed and priced. Every cut goes from package to pan just the way you unwrap it... juicy-lean and rosy-red.
