**I am BALD...**  
Can you tell?

I searched and bought hair replacements for 20 years.

- Always being promised the best from those products which always failed
- Always being a disappointed wearer for 20 years
- Finally finding a hairpiece that lived up to its promises and more

A sporting influence to my outfit is a racing cap in raffia straw from Major's Hats.

Shoulder stripes in tan, taupe, brown and rust on crew feature this acrylic knit sweater shirt from Campus.
