MAKE YOUR HOME BEAUTIFUL

USE

CLEAR OR TRANSPARENT FOR ALL NATURAL FINISH AND THE COLORS TO REPRODUCE POPULAR AND EXPENSIVE WOODS

For putting New Life into Old Furniture they are just the thing. Use them on Floors, Linoleums and Household Objects of every Description.

There are Two Sorts of Furniture---

The wrong kind and the right. The right kind usually costs a little more than the other (IT HAS TO), but it is not dearer on that account—in fact it is cheaper, gives you better satisfaction, looks nicer and lasts longer.

The RIGHT KIND can always be found at our store. We keep no other, and you are asked to pay only a reasonable price for it.

Then our selections are large enough to enable a customer to choose exactly what is wanted. If NOT the factory is but a day or so away.

We are always glad to show you.

Come in and look our fine over before you buy

We also have a good line of

Stoves, Ranges, Oil Heaters

We are going to have some winter weather yet, and you will surely want one of those handy little Oil Heaters to help out in the bathroom on some of the cold days. They are also especially fine in case of sickness, and in fact there are hundreds of ways you can use them to great advantage in every home.

ASK FOR GILDEMEISTER'S

"Peerless Flour"

and be assured of good Bread and Pastries. Use our GRAHAM FLOUR and you can make Graham Gems with the Sweet Nutty Flavour, and if you use our pure BUCKWHEAT FLOUR you are assured of good Pancakes. And remember, when you purchase these flours, you are getting flours made from the grains produced on Michigan soil, by Michigan farmers, and to keep our mills going and our farms producing wheat, you should use

Michigan Flours

in preference to any flour shipped in from other states.

Solving the Servant Problem

With household help so scarce and high-priced sooner or later you must turn to electrical labor-saving devices that will lessen the home work.

THE ELECTRIC WASHING MACHINE

puts an end to the problems of wash day. It will do a big washing in an hour. No laundress required, no waxes to pay, no meals to serve. It washes the clothes spotlessly of an everything, laces, linens, blankets.

No Work, no Wear on the Clothes, Pays for itself

by the Savings it Makes. There is no work, no wear on the clothes. The Electric Washer washes without rubbing; therefore the clothes will last much longer.
