ASPIRATIONS OF 7 NATIONS REVEAL **MUCH DIFFERENCE**

Work Before Peade Conference Is to Adjust Them Into Harmonious Whole.

QUITE IMPOSSIBLE THAT EACH CAN BE SATISFIED

Many Demands That Are Certain to Be Formulated Must Be Mobilited Brief Outline of the Claims to Be Made.

It is possible now to state defi-nitely that the five great powers have reached a complete inderstanding as to their desires in the peace confe

Summed up briefly, the aspiration of the various countries are as follows FRENCH CLAIMS.

FRENCH CLAMS. France wants, first of all, Alsoce-Lor-raine uncouldionally, and the right (o discoss and utfinalely to fix the French frontices in help - relation to the Bhin-which may require the freation of buy-fer states. One of these would be the Pathetic states. One of these would be the basis of the Sarre river, which utight be calted a reannexation. France will insist that so far, as the left bank of the Rhine farther to the should forthe Rhine farther to the should a forthe in that zone. The feeling is that the people inhaliting that zone should be free to dedie for them-belves whether they, wish to join France will hids the reparation is not complete, but hid been annoanced in the chamber of deputies that it will be about 6000000000 frames (Gils-2000.00000).

200.000,000; The French government does not nask for a protectorate in Syrin in the ordinary sense because it considers that the population three is too ad-vanced to make a protectorate neces-isary, but France, on a fecont of lar-traditional interests in that country, ifeels that should be failed upon to extracts some sort of ghardlankih or guidance undi Syrin should be fully able to govern herself.

BRITISH CLAIMS.

ITALY'S CLAMS. Italy asks for the Trentino is far as the Brenner pass, including, the wildo of the southern Trrol: Trieste Jatria, Filume. Zarn, Schenico, the larger part of the Dalanatian islands, Aviona and its hinterfand, a protector rate over Albania, possession of the Islands. In the Argan which were taken from#Turkey during the Tripoli tan war, and the province of Adalia in France and England sheuld take terri-tory in Adm Minor. The Atalian, contention is that the paimatian hislands and acch parts of the Dalmatian coast as are not as signed to Tuely shall be neutralized Should France and Epcland extend their colonal, possessions in Africa Inaly desires to colarge her posses-stons in Eritush Somailland, on the Red sec. RCUMANIA.

BOUMANIA.

Roumania wants that portion of Russian Bessarabia given her by the central powers under the canceled treaty of Bucharves; isouthern Do-brodia as celed to her by Bulgardi after the second war, his command-ing the Danube; the Igasburg prov-nices of Bukwina and Transylvania and part of Bannt, while Serbia calans. treaty of Bucharves', kouthern De brudin fas ceiclei to her hy Bulgaria after the second war, thus command-ing the Danube; the Hapeburg prov-faces of Bukovina and Transvirania and part of Banat, which Serbia Both Roumanla and Serbia have

mayed troops into Banat and Frence troops have established a neutra-zone to prevent hostilities. SERBIA

SERBIA Serbid's clima to take from the Hapshurg manarchy the provinces of Dismits and herezoronia are opposed by no one in the entents groups The plans for the Impostry province of Croatin, except as to the constail region of Pluma, are also considered of Croatin, except as to the constail region of Pluma, are also considered management of the internal ducklish of the southern Slavs. J Jugos Slav and Inilian alms are in sharp conflict in the sectionent of the sharp conflict in the sectionent of the advintic probabie, in avoing Flume the Croatin seaboard, Datanada and Aluania.

the Crontian senboard, Datandia and Albania. The union of Montenegro and Ser-ibia in a greater Jugo-Slav state has been, voted by the Montenegria Par-itanent. [King Nicholas and bia ad-heren's petces against a union, which shall not leave Montenegro self-gov commun.

eriment. There is also a conflict between the Jugo-Slav sutesnice and those of Zeccio-Slavalia, why destre a wide corridor from Bohemia to the Adriatic. GREECE

Greece wishes forthern Epirus an Thrace with Constantinople, the Bos porus and Dardanelles inder inter national control. Greece asks for th national control. Greece asks for the rilayet of Suyaria in Jasin Minor and the former Turkish Islands in the eastern Mediterrinean, including the Dodecanesus, claimed by Italy. BULGARIA

Although Bulgaria capitulated with out contilons, her government hopes to receive extensions of the Enda-rian frontlers in souther Macedonia along the Aegean const and in Thruce. CZECHO SLOVAKIA.

- cźECHO-SLOVAKIA. The new state of Czecho-Stortaka is carring out is territöries afanist entirely at the lexponse of the aid Austria-Hungary. Bochema, Morraka and the Slovak regions of northeria Hungary inzer beign incorporated into the proposed state, but there are con-flets with the Poles, Ruthenatas, Houmaninas, Germans, Alstrians and Magyars, hocanis the Czeckis chahar parts of Saxony land, German Silefal belong ethnographically, to the new state.

beiong conversion of the state of the state. The Czecho-Slovaks: and Poles clash in claims in Silesta and Galicia. The new state desires expansion southward on the Dambe and to the Adri-erte

POLAND.

The Poles are endeavoring to selze disputed regions on three sides of Russhin Poland and Gallcia, including Lemberg, which is in the Ukrdihe; Cholm, in Little Russia, and Vijan. Both the Little Russia, and Vijan.

Japan offers to return Tsing-Tau to China, retaining curtain former Ger-nan concessions on the Shantung peninsula. peninsula. She desires to retain Germany's Pr-cific islands north of the equator CHINA.

China wants a guarantee azainst foreign inperialish or aggression, abolition of "consular rights" and for the return of Kian-Chau. SWITZERLAND.

Switzerland desires an outlet in the sea, by making the Rhine a neutral stream. This is in accord with French desires. SCANDINAVIA.

Denmark wishes to annex that of northern Schleswig inhabited dominantly by Danes.

BUDGET SYSTEM FOR STATE INSTITUTIONS ADOPTED WITH VOTE OF EVERY SENATOR PRESENT.

IONIA PRISON INQUIRY ORDERED

and another hour's talk when ture.

it came up for third reading, but it finally was adopted with the vote of every senator present at the time, 25 in all. every senator present at the time, 25 in all. One principal amendment was made in committee of the whole That changed the term of the budget com-missioner from four years to two years. The term of the commissioner is mode identical with that if the gor-error. The idea of this is that the budget commissioner will practically be the right hand man of the gor-error, with the latter responsible for his commissioner will practically be the sight hand man of the gor-error, with the latter responsible for his commissioner is handling of the stato business. The gole objections to the bill as developed in the senate were caused by a four that the legislature might be legislating away some of its own powers. Scantor Deland, father of the measure, such that on such thing could enace, as the budget each two

the measure, said that no such thing could ensor, as the budget each two years would be directly in the care of the legislature itsel. Senator Scully thought the state board of au-flors and not the auditor general should audit the budget commissions that effect and the vote was taken when the arguments were cheld. The two proposed amendments to the dued a joint reformance tate constitution have failed by the constitution are hard to be the for some senated the senated the senate senated the sena

Two proposed amendments to the state constitution have failed in by the wayfied in the scatte. One was Sen-Stor MacNaughtons proposed to bond the state for \$5,000,000 to bill dermi-nal warehouses to hold farm products in storyse. This project had arphased considerable interest when isomeone happened to recall to that two pro-posals to hold the state damont be handled at the some time; and the handled at the some time; and the possils to bond the state dannot be handled at the same time and the good road bonding proposition had already gone through for submission at the Ajril election. The proposal to amend the constitution is as to permit the raising of salardes of sy-preme court justices and judges of courts of record during theit terms of office was lost in the schale when it received only 20 favorable votes. It needed 22, a two thrids yole. It was tabled and another effort may be made later to revive it.
