THE strong and vigorous man or woman is envied by less fortunate humanity. He is healthy, active, energetic, and full of life. The sufferer says to himself, "If I could only be well, how happy I would be," for health is more essential to the joy of living than is wealth.

The kidneys almost literally wash the blood clean from its impurities. When the kidneys are out of order, they fail to filter out the waste and poison matter. It results in the system to cause headache, rheumatic pain, sore muscles and aching joints.

C. W. Smith, 1226 No. 4th St., Sault Ste. Marie, Mich. writes: "I am very much pleased with Foley Kidney Pills. I am working in a coal yard and have been very much troubled with my back. I have tried several doses of Foley Kidney Pills and they have already helped me."
