The Flavor
Lasts

And Then He Quit.
A French officer was trying to learn
the English language. The following
is his version of our mother tongue:
"When I discovered that I was
quick I was fast; that if I was tired
I was fast, and if I spent too freely I
was fast, I was discouraged. When
I came across the sentence 'The
first shall be last and the last shall
be first,' I gave it up."

"I thought," said the boy's mother,
"that I told you I wanted you to stay
where I could put my hand on you."
"I didn't know," he whimpered,
"that you wanted me to get across your
knee and stay there."

ALLIES REPULSE ARCHANGEL DRIVE

SEVERE ATTACKS OF "BOLOS"
FAIL, SAYS OFFICIAL
DISPATCH.

OFFENSIVE LONG EXPECTED

Ice On Dvina River Broken Up—
Expect Stream Will Be Navigable
Within Week.

London—An official report by the
war office says Archangel advances
have been received that serious ene-
my attacks, long anticipated, have
begun on the Dvina and Vaga fronts.
A message from the Dvina front
says bolshevik gunboats shelled the
Allied positions spasmodically, but
were forced to withdraw, owing to the
sunlight.

A Vaga front dispatch says that af-
ter a long bombardment the enemy de-
livered an attack in great strength but
was being repulsed everywhere.

The ice on the Dvina river has com-
pletely broken up from Archangel and
is moving out. It is expected the river
will be navigable for gunboats with-
in a week.

POLICE DISPERSE GARY "REDS"

Anarchists' Demonstration, Fails—Cit-
izens Aid Authorities.

Gary, Ind.—Anarchists and radicals
of Gary, reinforced by their Red com-
rades of several industrial centers, met
resistance from the authorities and
citizens when they attempted to
stage a parade and monster demon-
stration here Sunday. In street fight
the clubs were used. Forty arrests
were made.

It was estimated between 6,000 and
7,000 socialists, I. W. W., bolshevik
and anarchists gathered for the demon-
stration.

Mayor Hodges ordered 50 policemen
and 25 deputy sheriffs to disperse the
radicals. Several hundred returned
soldiers and volunteers organized of
citizens joined the police and deputies.

FIVE 339TH PRISONERS FREE

First of Americans Captured By
Bolsheviks Reach England.

London—Five soldiers of the 339th
infantry, "Detroit's Own," the first
American prisoners from Russia, just
arrived here by way of Stockholm.
They gave a wonderful account of ad-
ventures in the black heart of "Russia."
The story, Walter Houston, Muskegon,
Mich., George Albens, Muskegon,
Antone Vance, Chicago, Mike Haurik
(naturalized Russian) Detroit,
William Scheutte, Manistee, Mich.

They were six weeks on route from
Moscow, where they had been im-
prisoned, via Finland and Sweden.

Three other Americans remain
prisoners in Moscow, together with
56 French and English soldiers.

"SINK FOE SHIPS" SAYS DANIELS

Secretary Urges Destruction of Enemy
War Vessels.

London—The greatest moral lesson
of the war would be to sink the entire
German fleet with proper cannonades.
Joseph Daniels, American Secretary
of the Navy, who recently visited the
captured vessels at Capua Flow, said
in a statement here.

"The German fleet should be sunk in
the opinion of American and British
technical experts in Paris," the secre-
tary said. "Those who are not tech-
nical and who view the situation entire-
ly from the moral side have the same
idea and believe that the ships should
be sunk with bands playing and flags
flying to keep company with the mer-
chantmen the German destroyed."

NATIONAL DEBT IS 25 BILLION

Includes Nearly 9 Billion Loaned Var-
ious Allies.

Washington—The public debt of the
United States Government is \$24,824,
345,000, the Treasury Department re-
ports.

Most of this represents Liberty
Bonds of the first, second, third and
fourth issues, but the Victory Lib-
erty Loan is not included to any great
extent. The addition of Victory Loan
Bonds will be largely counterbalanced
by redemption of outstanding certifi-
cates of indebtedness.

No deduction is made for the \$8,
852,000,000 loaned to foreign govern-
ments. Consequently, the net debt
would be approximately \$16,000,000,
000.

tional Guard, has been awarded the

LIFT OFF CORNS!

Drop Freezeone on a touchy
corn, then lift that corn
off with fingers

Doesn't hurt a bit! Drop a little
Freezone on an aching corn, instantly
that corn stops hurting, then you lift
it right out. Yes, magic! No humbug!
A tiny bottle of Freezeone costs but a
few cents at any drug store, but is suf-
ficient to remove every hard corn, soft
corn, or corn between the toes, and the
calluses, without soreness or irritation.
Freezone is the sensational discovery
of a Cincinnati genius. It is wonderful.

Criticism

Billy Sunday tells with gusto of the
subtle criticism a pretty Philadelphia
girl once passed on his informal
preaching methods.

The revivalist halted at the end of
an impassioned Philadelphia har-
rangue, rolled down his sleeves, put on
his coat and said:

"And now, dear friends, are there
any questions?"

"All the congregation was silent ex-
cept the pretty girl. She asked from
her front pew:

"May I smoke?"

She Understood.

The preacher was talking
about the necessity for a "new heart."

stood what a new heart was.

"Oh, yes, indeed," she answered
brightly. "It's a kind of heavenly
stomach."

When Money is a Curse.

It is only when money is cheapened
to worthlessness for home, and made
impossibly dear to others, that it be-
comes a curse. In short, it is a curse
only in such foolish social conditions
that life itself is a curse.—George
Bernard Shaw.

Indigestion, Gas and Bloat From Acid-Stomach

An acid-stomach cannot digest food
properly. Instead, the food sours and
ferments, and, passing into the intes-
tines, becomes a breeding place for
countless millions of deadly germs—
toxic poisons they are called. These
poisons are absorbed into the system
and cause untold misery. So, you see,
it is just acid-stomach, nothing else,
that causes so many people weak, list-
less and unfit; saps their strength and
energy; robs them of their vigor and
vitality. Blows and liver, herry-
cousness, blinding, splitting headaches,
rheumatism, lumbago, sciatica—these
and many other still more serious al-
lments often are traced to the com-
mon source—an acid-stomach.

just ACID-STOMACH. And in ad-
dition to the pains and miseries it

ing point of a long train of ailments that
most people never dreamed are in
any way connected with the stomach.

ATTENTION! Sick Women

To do your duty during these trying
times your health should be your first
consideration. These two women
tell how they found health.

Hellam, Pa.—"I took Lydia E. Pinkham's Ve-
getable Compound for female troubles and a dis-
placement. I felt all run down and was very
tired. I had been treated by a physician without results.
So I decided to give Lydia E. Pinkham's Vegetable Compound
a trial, and felt better right away. I am keeping house
since last April and doing all my housework, where before
I was unable to do any work. Lydia E. Pinkham's Ve-
getable Compound is certainly the best medicine a woman can
take when in this condition. I give you permission to publish
this letter."—Mrs. E. R. CRUMLINE, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging
down pains, was irregular and had female weakness and
displacement. I began to take Lydia E. Pinkham's Ve-
getable Compound which gave me relief at once and restored
my health. I should like to recommend Lydia E. Pinkham's
remedies to all suffering women who are troubled in a sim-
ilar way."—Mrs. EMER HERR, R. No. 6, Box 83, Lowell, Mich.
