A Real Surprise

Women who see a modern Electric Washing Machine in action are surprised at the ease with which a large washing can be cleaned to a snowy whiteness. Would you believe that you could throw soiled clothes into the cylinder and in twenty minutes take them out clean and white? All with no wear or rubbing whatever!

Let Us Prove That It Can Be Done. Come in and See a Demonstration at Our Show Rooms.

SAL-TONIK

WHAT IS SAL-TONIK?

It is a preparation containing all the efficient ingredients that are found in ordinary "Stock Powders," plus enough Salt and Red Pepper to take the place of any fillers, often injurious. It comes in the form of fifty pound blocks; it cannot wash away, nor blow away, and is always accessible to stock. It has solved the problem of keeping your stock in good condition. Your animal doctors itself by having free access to Sal-Tonik.

And Avoid the High Cost of Delay

The Government endorses building of Homes, and the Banks are in a position to render financial assistance.

We have just installed a plan service for the prospective Home Builder, including complete plans of 200 types of houses. If you are interested, come to our office and investigate this service, which is FREE. The plans are of houses that have been built and are thoroughly practical, and have been drawn to utilize the most economical sizes, lengths and grades of lumber. This service not only includes Houses, but Barns, Implement Sheds, Poultry Houses, Garage and Milk House.

Everything to Build a House Carried in Stock

including Foundation Material, Plaster and Interior Finish. We are manufacturers of Lumber and Interior Finish, and through our connections are in a position to sell anything in wood, as the products of two mills in the south and several in the north are available for our trade.

"Quality and Service First"

Estimates cheerfully figured, and courteous treatment accorded all inquiries.
