Straighten Up

THE men or women afflicted with backache, swollen muscles, stiff joints, rheumatic pains or other symptoms of kidney trouble is entitled to sympathy and should have help.

Nature gives early warning of kidney trouble by painless under eyes, spots under the eyes, dry mouth, biliousness, weakness and pale, waxy, dry skin.

It is unwise to neglect the slightest symptoms of kidney trouble. Give the kidneys the help they are calling for.

Foley Kidney Pills

tone up weak, inactive, sluggish kidneys and help rid the body of poisons. With kidneys and bladder properly functioning, appetite is restored, reticent sleep is possible and health, strength and energy come as a natural result.

C. F. Reynolds, Elmira, N.Y., writes: "Three months ago I was laid up with kidney trouble. I had asked an average doctor and he told me to get on my feet. I read of Foley Kidney Pills, so I sent for some and commenced taking them. In a few days I was up out of bed and upon keeping the treatment up for some time I was able to do my work. Since then I have had no more backaches and no trouble with my kidneys."

Although it is three months before the opening of the Michigan State Fair, entries in many departments which have been made up to date exceed those for the entire fair last year. Entries still are pouring in for amusements, agricultural, industrial, and other exhibits, and for all the other features of the fair, which is to be held this year from August 29th to September 7th. Reports from fairs all over the country show the same conditions, indicating this year to be one of the best in history for fairs.
