Western Canada's "Horn of Plenty" Offers You Health & Wealth

Western Canada for years has helped to feed the world—the same responsibility of production still rests upon her. While high prices for Grain, Cattle and Sheep are sure to remain, price of land is much below its value.

Land capable of yielding 20 to 45 bushels of wheat to the acre can be had on easy terms at from $15 to $30 per acre—good grazing land at much less.

Many farms paid for from a single year's crop. Raising cattle, sheep and hogs brings equal success. The Government encourages farming and stock raising. Railway and Land Companies offer unusual inducements to Home Seekers. Farms may be stocked by loans at moderate interest. Western Canada offers low taxation, good markets and shipping; free schools, churches and healthful climate.

For particulars as to reduced railway rates, location of land, illustrated literature, etc., apply to Supt. of Immig., Ottawa, Can., or

MARINES SURELY MADE HIT

But Not Altogether to the Extent That One Doughboy "Over There" Imagined.

He was a United States marine, just arrived in France as a relief for one of the men who had been discharged—upon condition of relief. He did not know French, and he wasn't aware of the fact that everything in a seacoast town like Brest is named after the sea, which, of course, is "la marine."

Therefore, when he walked along the streets reading the signs his eyes began to open wider and wider. Here was the Brasserie de la Marine, here the Patisserie de la Marine, the Cafe de la Marine and everything else that possibly could carry the affix "de la marine." Long the devil dog looked. Then he scratched his head.

"Gosh!" he murmured. "I always knew the marines were good, but I never had any idea they'd make such a hit as this. By golly, they've named the whole darned town after 'em!"

True.

"Has he a lot of money?"

"No, but he has the next best thing."

"What is that?"

"The ability to make people think he's rich."

Heard Him, All Right.

Germany's stiff-necked denseness in sensing the necessity for her speedy compliance with the first ultimatum terms, and her brazen indignation at the harder ones imposed as a penalty for nonfulfillment of the first, make one think of the banker at Weeping Water, Neb., who was asked by an impecunious farmer for a loan. The banker was one of those people who are deaf for commercial purposes. The farmer was chronically wanting to borrow, and his security was getting shaky.

"I'd like to borrow $5,000," pleaded the farmer.

The banker cupped his hand behind his lame ear and said:

"Speak a little louder and cut down the amount."

He Got His.

"For the past decade," declared the grouch, "women have been neglecting the home more or less."

"Well," said the woman, "if we keep that up about 6,000 years, we'll be about square with the men, won't we?"

After considering awhile he did not attempt to refute her statement.—Louisville Courier-Journal.

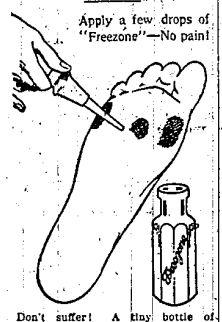
"CALLUS CORNS" LIFT RIGHT OFF

Apply a few drops of "Freezone"—No pain!



Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

British in German Graves.

Viscount Curzon, in the house of commons, was asked if the secretary for war would give an assurance that he would permit the remains of British soldiers buried in Germany to be exhumed and brought home for reinterment, should the relatives desire, as soon as the transport facilities permit.

Captain Guest (joint parliamentary secretary to the treasury) replied that this matter would receive sympathetic consideration as soon as the condition of affairs permitted.

PHYSICALLY FIT AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.

The kidneys are the most overworked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and crystallizes look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature degeneration and often do turn into deadly Bright's Disease.

One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.

Do not wait until the danger is upon you. At the first indication of trouble go after the cause at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine. In sealed boxes, three sizes.—Adv.

The Situation.

"Your husband is hitting up a fast pace at the punch bowl."

"FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer" Tablets of Aspirin"

POWDER IN SHOES AS WELL AS GUNS

Foot-Ease to be Added to Equipment of Hospital Corps at Fort Wayne.

Under the above heading the Detroit *Free Press*, among other things says: "The theory is that soldiers whose feet are in good condition can walk further and faster than soldiers who have corns and bunions incased in rawhide."

The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning.

There is no foot comforter equal to Allen's Foot-Ease, the antiseptic healing powder to be shaken into the shoes and sprinkled in the foot-bath, for hot, tired, aching, perspiring, sore, smarting, swollen, tender feet, corns, bunions, blisters or callouses. What would it you give to be relieved of one day's pain of your corns and bunions? Here is relief for *every day*. You won't realize this until you have tried Allen's Foot-Ease yourself. You simply forget all about your feet they are made so comfortable. Ask your druggist to-day for a package of ALLEN'S FOOT-EASE.

Why to Tell.

Young Husband—Dearie, is this affair on my plate a chicken croquet or a rice pattie?

Winsome Bride—Didn't you find any bones in it?

Young Husband—No, love.

Winsome Bride—Then it's a rice pattie.

Oh, Fudge.

THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing Like Plain Nitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as nitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, nitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should disappear, dull eyes become bright, and pale cheeks glow with the bloom of perfect health.

CAUTION:—Although nitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its tendency to increase weight, be used by anyone who does not desire to put on flesh.

BILIOUSNESS Caused by Acid-Stomach

If people who are bilious are treated according to local symptoms they seldom get very much better. Whatever relief is obtained is usually temporary. Trace biliousness to its source and remove the cause and the chances are that the patient will remain strong and healthy.

Doctors say that more than 10 non-organic diseases can be traced to an Acid-Stomach. Biliousness is one of them. Indigestion, heartburn, belching, sour stomach, bloat and gas are other signs of acid-stomach. EATONIC, the marvelous modern stomach remedy, brings quick relief from these stomach miseries which lead to a long train of ailments that make life miserable if not corrected.

EATONIC literally absorbs and carries away the excess acid. Makes the stomach strong, cool and comfortable. Helps digestion; improves the appetite and you then get full strength from your food. Thousands say that EATONIC is the most effective stomach remedy in the world. It is the help YOU need. Try it on our money-back-if-not-satisfied guarantee. At all druggists. Only 50 cents for a big box.
