KODAK FINISHING**T. H. McGee****Weekly Service****Keep the Children Well**

To keep the little ones well, sturdy and happy, free of colds, coughs, croup, little fevers and inflamed throats, use

Foley's Honey and Tar.

It is carefully made of selected remedies that loosen and break up cough, stop croup and ease an itching inflamed throat, and it is clean of all narcotics.

The prompt use of Foley's Honey and Tar is very helpful for whooping cough, and the restless feverish state that attends children's diseases.

M. T. Davis, Beaverville, W. Va., writes:—

"One of my persons had a small child take with croup. They came to my store and bought a bottle of Foley's Honey and Tar and before morning the child was entirely recovered."
