Novelty From Paris.
A genulue Paris portely talkes the form of a dainty evening frock in "chemise" form, of Ivory white oxpandle mustin, embrodered with weshing sliver threads and worn over a fourness of sliver net. The extreme simplicity of the little dress fends it a most sirible cachet. Unfortunately, this "simplicity" cannot be called inexpensive.

Keeps Doorknob Screws Tight.
Doorknob screws often work out and let the knob come off. This may be incused by removing loose screws.

NEEDLEWORK AND ORGANDIE

Needlework and organdle are com-batants for summer popularity, but when they go hand in hand the result is noticeable. This frock is of yellow organdle with rows of little yellow graden roses embroidered on the skirt, sleeves and vestee.

Silk and Cotton Voile Are Summery In Appearance and Give Pleasure to Wearer.

in Appearance and Give Pleasure to Wearer.

Summer brings the usual demand for cool looking dresses developed in georgette, cotton and silk voile, gingham, swiss or challis. The latter fabrie is shown in very chinty patterns and may be used to make serviceable frocks of the semi-tailored type. Bandy of ribbon, pipings of satin and similar trimming touches have the preference. Many rows of stitching also are used to good effect on challis dresses. Dresses of cotton voile are decidedly summery in appearance, but not quite so desirable for general wear as those made of the lovely princed as the semi-tailored the seminary of the semin
