Strength

WOMEN NEED STRENGTH to meet the stress of life during these troublous times. Every anxiety of course weakens the body and the brain of the body must perform the functions assigned to them by nature.

Foley Kidney Pills

help weak, overworked or diseased kidneys and bladder to normal and healthy action, so that the system is freed from waste and poison, and the system that causes backache, pain in side, sore muscles, still joints, headache, rheumatism, neuralgia, indigestion and kindred symptoms.

Mrs. J. D. Miller, Syracuse, N. Y., writes: "For many years, old and so I suffered from kidney trouble and rheumatism. I had a severe backache and felt miserable, and got no place where I had to do anything. I bought Foley Kidney Pills and after taking two boxes I can say my backache is gone, and where I used to be weak and with rheumatic pains I now enjoy comfort and ease, a good night's rest. Foley Kidney Pills did wonderful things for me, and I recommend them."
