Continue Gymnastics At C'ville

A gym program begun this past summer at Clarenceville High School will be continued into the new school year. Announcement was made by Charles Thompson, Clarenceville's athletic director and gymnastics coach, who said nearly 200 had been enrolled in the summer session.

Registration for the fall program will be Saturday, Sept. 27. Clarenceville residents are asked to register from 9 a.m. until 12 noon at the high school and non-residents from noon until 3 p.m. Thompson emphasized that the program has a limited enrollment and that people will be admitted to classes on a first come, first serve basis.

Classes will be run on Saturdays for 10 weeks with each class meeting one hour per week. Starting date is Oct. 4.

THE PROGRAM will feature tumbling, trampoline work, boys' apparatus and girls' apparatus. Anyone from age six up may register. Further program categories will be determined on the basis of each student's age and ability level. Thompson will be assisted with class instruction by members of Clarenceville's high school gymnastics team. Additional information may be obtained by contacting him at Clarenceville High School (476-2270).
