CAMELS are the most refreshing, satisfying cigarette you
ever smoked! Put all your cigarette desires in a bunch,
then buy some Camels, give them every taste-test and know
for your own satisfaction that in quality, flavor, smooth-
body and in many other delightful ways Camels are in a
class by themselves!

Camels are an expert blend of choice Turkish and choice
Domestic tobaccos. You'll not only prefer this blend to either
kind of tobacco smoked straight, but you'll appreciate the
remarkable full-bodied-mildness and smooth, refreshing
flavor it provides! Camels are a cigarette revelation!

Camels win you in so many new ways! They not only
permit you to smoke liberally without tiring your
taste but leave no unpleasant cigarette aftertaste or un-
pleasant cigarette odor!

Compare Camels with any cigarette
in the world at any price! You'll
prefer Camel quality to premiums,
coupons or gifts!
