It has been very forcibly brought to the attention of everyone lately that Southern Michigan Banks are being victimized by an organized gang of Yeggs and Hold-up men.

It seems a timely moment to state the precaution this Bank takes toward the protection of its patrons and friends.

We carry Full and Complete Insurance against Burglary by Night or Hold-up by Day, covering both Money and Securities as well as damage to the premises and equipment, and as additional protection recently installed a New Round Door, Manganese Steel Safe, made by the Diebold Safe and Lock Co., of Canton, Ohio, the largest and oldest safe makers in the world.

There is, therefore, no possible chance of this Bank or its Depositors losing a single Dollar through the depredations of these outlaws.

And Our SERVICE is on a PAR
With Our SAFETY.

Farmington State Savings Bank

**Camel
CIGARETTES**

Smokers realize that the value is in the cigarettes and do not expect premiums or coupons!

Camels are sold everywhere in scientifically sealed packages of 10 cigarettes or ten packages (100 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply of when you travel.

If you want to know what rare and unusual enjoyment Camels provide smoke them in comparison with any cigarette in the world at any price!

CAMELS are a cigarette revelation any way you consider them! Take quality, or refining flavor and fragrance; or, that wonderful mellow-mild-smoothness you never before got in a cigarette smokes! Yet Camels are so full-bodied and so full-of-satisfaction you marvel that so much delight could be put into a cigarette!

Camels expert blend of choice Turkish and choice Domestic tobaccos makes them so irresistibly appetizing! And, the blend explains why it is possible for you to smoke Camels liberally without tiring your taste! You will prefer Camels to either kind of tobacco smoked straight!

You will realize pretty quick, too, that among the many reasons you smoke Camels is the freedom from any unpleasant cigarette taste or unpleasant cigarette odor!

Or, you know Camels you won't take much stock in premiums, coupons or gifts! You'll prefer Camel quality!
