

The Enterprise will be issued one day early the next two weeks, on account of Christmas and New Years coming on Thursday. We especially urge our merchants, friends and correspondents to get their copy in as early as possible Monday or Tuesday, and give the editor a chance to have a Merry Christmas and a Happy New Year, which we sincerely wish for all our friends and patrons—Thank You.

from the Farmington school for a week or ten days.

It was reported here last Thursday that Mr. and Mrs. Charles Farley had a pair of boy twins, but it is not so, only a little girl baby.

Mr. and Mrs. Lawrence Taylor have returned to Detroit from York state, where they have been visiting for the past month. Her mother, Mrs. Rexford, accompanied them home for the Christmas holidays.

Mr. and Mrs. Milton Purkey were in Detroit Thursday to see the body of a friend of his who was killed at Almont Wednesday. He was employed by the Edison company as a lineman, three being killed by a Detroit train.

Miss Emma Biebert and Otto Faise, of Detroit, were married at the home of her parents last Sunday on the Eight-mile road, north of the Evergreen road. She is a sister of Miss Anna Biebert, who was employed by Mrs. Otis Jensen about a year ago.

Senator Jones of Washington, told the senate the other day that the ultimate development of all the power available in navigable streams, would be equal to 780,000,000 tons of coal, representing a value of more than \$1,500,000,000—more coal than the country now actually consumes. At the same time the ultimate development would reclaim for navigation, more than 4,000 of the upper reaches of navigable streams, besides developing more power, would develop systems of water transportation.

**XMAS SEAL MONEY TO BE SPENT LOCALLY**

91.7 Per Cent. of All Funds Raised in Any State Remain There to Carry Out the Local Programs.

**NATIONAL FUND IS SMALL**

National Tuberculosis Association and American Red Cross Share Retaining 8.3 Per Cent.

"For the Health of This Community." Such is the slogan appearing on the flap of envelopes on which the Red Cross Christmas Seal is printed. The issue of such envelopes in order to save the trouble of affixing gummed seals to letters sent out in quantity by large corporations and business houses has been inaugurated this year as part of the machinery of distribution set in motion by the National Tuberculosis Association and its 1,000 State and local organizations in disposing of more than 650,000,000 Red Cross Christmas Seals during the ten day sale which began on December 1.

The significance of the slogan lies in the fact that whether the letter is

sent a portion goes to the Red Cross for the benefit of the needy. Of the remaining 8.3 per cent. the National Tuberculosis Association receives 4.3 per cent. and the American Red Cross receives 4.0 per cent. The balance of the 8.3 per cent. is retained by the post office for the cost of postage and handling charges.

**Different Colors of Paper**

Many businessmen have a system of using different colors of paper for different printed forms, thus distinguishing each form by its color.

We can work this system out for you, using the Utility Business Paper, and you will find that it saves you time and money.

Let us show you the advantage of standardizing your paper and your printing.
