# Special-occasion dresses for growing girls.

14<sup>99</sup> to 19<sup>99</sup>

Toddlers 1-4, Girls 4-6x

Spring is the time when all little girls want pretty little dresses. We can help with our great selection of styles, one prettier than the other. All have dainty full skirts and 3" hems so you can lower the hem as your child grows taller. And all are machine-wash, no-iron polyester/rayon in a bouquet of spring colors.
