

In The Pocket

Now that the area women's all-star leagues are finished for the season, the girls are making a name for themselves in other parts of the country.

The latest group, under the leadership of Helen Weston, invaded Mansfield, Ohio, last weekend and walked off with most of the honors.

Showing the way to the group was a team captained by Rosemary Freuder, of Plymouth, which posted a 2,826 series. Rosemary was high with a 611.

In second place was the Livonia Bowling Sales team, captained during the regular season by Marge Kropacek. This combination struck down the pins for a 2,773. Nancy Mischuk was the top scorer with a 640, which gave her second place for the entire tournament.

Next week, the group will move on to Cincinnati for the Hoinke Classic.

A RIVALRY that kept competition at a high peak during the regular bowling season has now carried over to the summer leagues with Mary Michalski, Kathy Haislip and Penny Behn waging a struggle for top place in the all-star mixed traveling circuit.

At the moment Mary is showing the way with a 199 average. One pin

behind is Kathy and Penny is third with a 191. Though she is trailing her two rivals, Penny holds high game with a 245 and high series with 646.

SCORING SEEMS to be reaching a new high at Westland Bowl, especially for the summer months.

The latest example happened in the Classic Trio league where Rick Lang put together games

of 201, 230 and 259 for a 700 series and yet only won high honors by four pins.

Chasing him all the way Ray Kreuter opened with a 246, came back with a 236 and closed with 214 for 696. Bob Schanke used a 243 finish for a 679 and third place. Rick Capaldi closed with a 234 for 660, but all it got him was fourth place.

On the women's side, Marion Saunders had games of 244 and 212 for 603 and Jean Martin had a 234 game in a 530 series.

THE SENIOR CITIZENS still are going strong at Plymouth Bowl and the leader this week was Elmer Jankowsky, who fashioned a 257 game in a 611 series.

Behind him came Frank Schulte with a 211 in 518 and Ed Rahn with a 240, but the best he could do was a 498 series.

THE WOMEN'S STATE tournament will be held in Flint in 1980. This was determined at the annual meeting of the delegates to the women's state meeting and in keeping with selecting the host city two years in advance.
