Nursing home asks for some gifts of time

Staff members at Oak Hill Nursing Home have scheduled an open house in August "for people just to come in and say hello to our residents," said Richard Pitcher, assistant administrator. "It's something they will look forward to, something that will brighten up their day," he said. Meanwhile, social director at the home, Esther Miller, is on the phone to local artist clubs hoping for donations to brighten up the walls in the residence at 34225 Grand River. Ms. Miller is also looking for artists who will be willing to paint murals on what Pitcher describes as "our stark institutional walls." The home is also in need of volunteers who would work "in almost any capacity," Pitcher said. The open house has been set for 2:5 p.m. Aug. 20. "Bring the kids," he said, "have some ice cream on us. Visit for three hours, or just say hello. We need you here."

save energy

Keeping your freezer and refrigerator as full as possible makes for more efficient cooling. Food retains cold better than air, thus reducing the load on your freezer or refrigerator.
