

Save on sofas with hidden bedrooms inside!

The lovely sofas on this page are just full of hidden surprises! They sit so comfortably, no one would know a quality inner-spring mattress is inside waiting to be easily transformed into a super-comfortable bed.

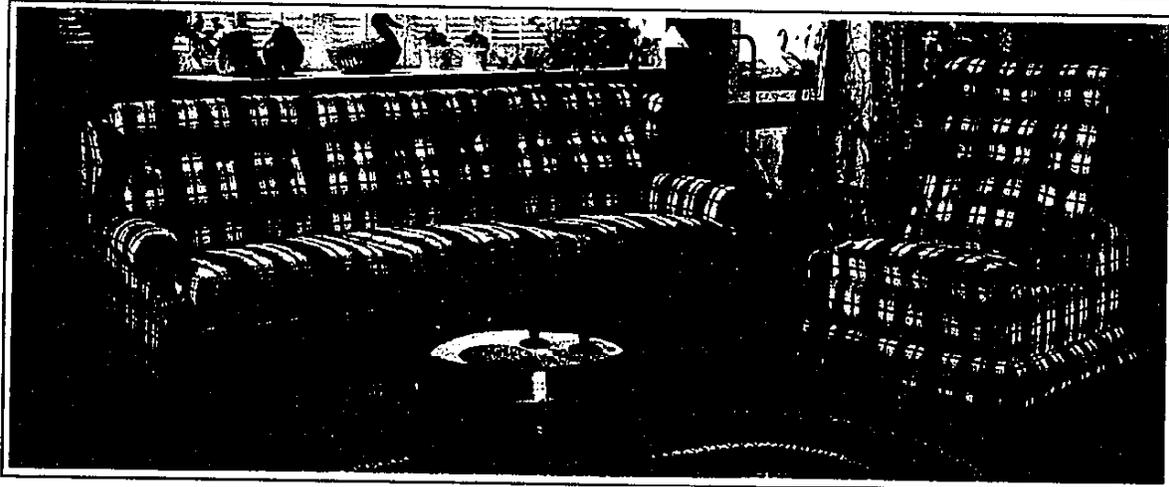

What's more, you can adjust the bed to sit up for T.V. or reading and the entire back tilts forward at a touch so you can vacuum or sweep. All Ethan Allen Sleeper Sofas on sale can be ordered in your choice of over 800 Ethan Allen fabrics. And you get the same meticulous tailoring and matching of patterns that are the hallmarks of Ethan Allen's superior quality.
