Farmington School Board Trustee Mike Shpiece(right) talks with Democratic Lt. Governor hopeful Libby Maynard and Malcolm Dade, a candidate for the State Board of Education at last weekend's Democratic convention conducted in Lansing.

### Nursery set at Beth El

Plans have been completed for the Temple Beth El Nursery School for the coming year. Registration is now in progress, according to Dr. Dan M. Levitsky, chairman of the nursery committee and Joy Kaplan, director. The school will conduct a two, three or five day a week program for children 30 months to 5 years of age. The curriculum provides a basic familiarity with Jewish holidays and history, encourages creativity and develops readiness in the children for their public school entry. The popular lunch program will be offered again this year. For further information and registration call Joy Kaplan at 831-1100.

Other Banks in the area have recently announced substantial increases in checking account service charges

Checking account statements are usually mailed about this time each month and it is easy to determine your cost (if any) as the service charge is normally listed as a separate item.

Compare these costs to Metro Bank's low checking account service charges that are easily understood and apply to both business and personal checking accounts:

Accounts averaging over \$299.00  
**NO CHARGE**  
Accounts averaging under \$299.00  
**\$2.50 per month**

If you are now paying service charges greater than \$2.50 per month a Metro Bank checking account can save you money. Accounts can be opened easily and quickly at either of Metro Bank's offices serving the Farmington Community.
