Interior Design Studio

introducing pure wool pile berber
broadloom carpeting
from Couristan

Now that same sumptuous carpeting long specified for banks, offices and elegant homes by designers and architects is yours to enjoy at Hudson's...by ordering through our Interior Design Studio. Every all-natural wool berber design is a Couristan exclusive and is power-loomed in Belgium or Scotland using age-old Wilton weaving traditions. Come discover how the natural earthtone beauty of Couristan's multi-dimensional berber, inspired by desert sand dunes and quaint cobblestone streets, together with contemporary styling, can be translated into luxurious floor fashions for your home. Just contact one of our interior designers who are dedicated to helping you by providing professional design advice. They'll assist you in blending all the decorating elements—including Couristan's berber carpeting—into the right proportions to create the lifestyle and environment that says "you". Call for an appointment at the Hudson's nearest you.
