MACHINE DESIGNERS

mond Automation offers a challenging program in Design and Development of food processing and kaging machinery.

We have openings for several young, ambitious mechanical designers who are interested in expressing their ideas and seeing these ideas come to life. Our designers have the apportunity to complete the design by assisting and supervising the assembly of engineering prototypes.

If you would like to work for an aggressive company and have experience in the design of linkages, conveyors and cam driven mechanisms you owe it to your self to investigate this ad.
