

CPR classes planned

Classes in cardio-pulmonary resuscitation (CPR) are being planned by the Southfield Fire Department in cooperation with the city's parks and recreation department.

Instruction in CPR will be 7 p.m. Jan. 17, Feb. 14, Feb. 28, March 14, March 29, April 11, April 25, May 9 and June 6 in room 222 of the parks and recreation building at the civic center, 26000 Evergreen.

Other classes will be conducted at 7 p.m. Jan. 31, May 23 and June 29 at Beech Woods Recreation Center, 22200 Beech south of Nine Mile.

The program is part of a joint effort by the city, Providence Hospital and Southfield public schools to teach 10,000 Southfield residents the CPR

life-saving technique in 1979.

A special award will be given for participants who contribute to the goal of 10,000 Southfielders trained in CPR. The three and one-half hour course is taught by the fire department's Life Support Unit personnel and instructors from the Michigan Heart Association (MHA).

All persons completing the single-class course will be certified by the MHA. Each class includes information on prudent heart living, recognition of the symptoms of heart attacks, the emergency medical system (911) and CPR training.

Advance registration is required to limit class size. The number to call is 334-9603.
