Shakespeare's "A Midsummer Night's Dream" was the "piece de resistance" which attracted a group of Farmington residents to the Stratford Ontario Festival Aug. 9 and 10. Mr. and Mrs. David N. Mills of Locust Dr. and their daughters, Amanda and Rebecca, enjoyed "The Three Musketeers" and Rossini's opera, "L'inderoilla" as well as "A Midsummer Night's Dream". Mrs. Mills' mother, Mrs. Ligon, and her niece, Robin Johnson, came from Maryland to join them for the trip.

Mr. and Mrs. George Nahstoll and Mr. and Mrs. Harold E. Whiting of Locust Dr. were given a special tour behind the scenes at the Festival Theatre when Hope Nahstoll revealed her connection with the Farmington Players.

Mr. and Mrs. Richard Frankel, Mrs. Beulah Cranston, Mr. and Mrs. Marvin G. Schaeffer of Drake Rd., their children, Virginia, Bill and Chris, and Lynn Callahan of Learnington Drive and Gina Parsons of Ridgewood Dr. also enjoyed the plays and the opera.

NEW PLANT — This is the architect's sketch of a new 50,000 square foot plant under construction in the Farmington freeway Industrial Park. The new office and manufacturing center of Ace Controls, Inc., the plant is expected to be completed by early November. The firm, which manufactures industrial shock absorbers, flow controls, check valves and related fluid power accessories, employs about 30 people. The three-year-old firm is forced to move from its present location at Eight Mile and Merriman Rds. because of the need for additional space.

Briar Hill Notes

By FRANK MANN, 828-5946

For those of you concerned with Letha Cummins, I am happy to report that she has left St. Carmel Hospital and is now at University Convalescent Home on Five Mile in Livonia. She would be very happy to receive callers and would like to thank those who have sent cards wishing her well. So let's remember her with a visit, a card or a prayer.

Carol Newton, of Briarton, is home from the hospital after an operation recently. She must have felt much better when daughter Cathy and her husband came from the East to see the family.

CONGRATULATIONS to Elaine Braunreuther and Victor Robert Norman who were united in marriage July 28. Sister Donna was bridesmaid, brother Brad, a ring bearer and brother Rick, an usher.

Another of our young people will be married soon—Diane Schumacher, of Ravenscroft, will become the bride of Kenneth Reeves in Nardin Park Methodist Church on Saturday, Aug. 17. Diane is a recent graduate of Michigan State.

Sister Sue Schumacher attends Hope College but will be spending her junior year abroad — studying in Bierut, Lebanon.

Martha and Linda Young have spent the summer abroad, too, trying the 55-a-day plan. So far they have toured the Scandinavian countries, Germany, Austria and are now in London, England.

THE MURPHY FAMILY, of Ravenscroft, is dwindling in size. Robin existed in the U.S. Army shortly after graduation from North Farmington and has done his basic training at Fort Knox, Ky. Lynn recently graduated from the University of Michigan, receiving her master's degree and will be leaving soon for a teaching assignment in California.

Bev and Don Bramlage, Maxine and Ted Morris, Dorothy and Pat McCarthy and Ruth and Harry Ramsey spent a lovely weekend at Caberize, near Cadillac, recently — golfing, swimming and sunning. Phyl and Bob Auman, former Briar Hill residents, have property near there and they found Bob and the children hard at work building an A-frame. Phyl was forced to stay behind as it is just a matter of weeks before the birth of their third child.

PHILIP ANDRIDGE, his wife and children returned for a few days more at the Andridge home on Old Bedford before returning to their home in Florida. The last two weeks were spent

Now you get 5% annual interest guaranteed for 4 years. And 7 other benefits.

- 1. Maximum Interest Guaranteed.**
NBD guarantees you'll earn 5% annual interest for 4 years. By continuous compounding, your money will actually earn the equivalent of more than 5½% annually.
- 2. Continuous Compounding.**
Since 5% is the maximum annual interest rate permitted by law, we couldn't change that. But we could increase the number of times the interest is compounded. We did. We guarantee to compound your interest minute by minute.
- 3. Convenient Withdrawal.**
Any money that has been on deposit at least 90 days (the legally required limit) may be withdrawn. You can take it out during the first ten days of each calendar quarter without notice. Or at any time with the usual 3-month written notice. Any money withdrawn will have earned maximum interest right to the time you take it out.
- 4. Add to Your Account.**
You can open a Time Deposit with \$1,000 or more. Then you can add to it in increments of \$100 or more. Even arrange automatic transfer from your checking account. If you start with \$1,000 and add \$100 every month, for example, you'll have \$6,423.95 at maturity.
- 5. New Quarterly Statements.**
Statements, mailed you each quarter, show the current total of your account, including the additional deposits you've made. They also show the interest you've already earned. And the total amount that has been on deposit long enough to be available for withdrawal without notice.
- 6. Income Tax Statement.**
You get a convenient year-end Income Tax Statement showing the total amount of interest earned during the year.
- 7. Handy Passbook Folder.**
Now you can keep all your statements, deposit and withdrawal slips and Income Tax Statement together in this compact passbook-type folder.
- 8. Security and Convenience of NBD.**
NBD is one of the largest banks in the country... one reason we can guarantee your money will earn what we say it will earn. And to make it convenient for you, we have nearly 100 offices throughout the metropolitan area. Ask about guaranteed Time Deposits at the National Bank of Detroit.
