Spyder

The Chevrolet Monza Spyder sport option features a restyled front air dam that blends into front fender wheel openings. Taillamp bezels and integral bumper rub strips have

been changed to black. Spyder hood decal and body striping are new. Manual or automatic transmissions are available with either a 2.5-liter L4 or a 3.8-liter V6 engine.

Christmas shopping? Don't forget the car

What to buy someone for Christmas poses a shlem for most people. To make shopping sier, the Automotive Information Council come up with a list of items for the car

owner.

The council puts the gift ideas into three

THE MORE expensive suggestions include a new set of tires, an anti-theft alarm system, a highway cruise control, a tape deck or a

stereo radio.

It also suggests the possibility of a gift certificate for a complete engine tune-up, a brake job or other item of maintenance that should be performed periodically.

Too many drivers tend to neglect proper maintenance, so a gift certificate for a needed service will provide them with a safer and more efficiently operating vehicle.

GIFTS IN the more moderate categor GIFTS IN the more moderate category in-clude a fire extinguisher, a portable spotlight, a vacuum cleaner that operates from the cig-arette lighter, first aid kit, battery jumper cables, and a set of emergency flares or re-flectors that can be used as a warning if a flat

tire has to be changed along the highway.

A subscription to one of the many automotive magazines also could be considered. as to be changed along the highway. When the many automomia magazines also could be considered. As a newsstand and select a magazine that reliable the results of the histories might be most appropriate for the interest o the recipient.

Framed prints of famous cars and "coffee table" photo books of noted vehicles also have become very popular with car lovers.

IN THE stocking-stuffer category, the council suggests a pencil-type air pressure guage, which, if used, will prolong the life of a car's tipes.

IN THE stocking-stuffer category, the council suggests a pencil-type air pressure gauge, which, if used, will prolong the life of car's tires.

Other stocking stuffers include a compass, which will be of benefit on trips or on strange roads when the sun isn't shining. A road affact a litter bucket, a non-spill commuter coffee cup or a certificate for a car wash or two also could help fill a Christmas stocking.

Regardless of the cost, all of these items are practical and will make driving more pleasure able, convenient or safe.

For addition ideas, the council suggests a visit to an auto-supply facility, where other items might help ease the burden of Christmas shopping.
