Rice pucksters rip Lakeshore

By LAURA CLARK

Every coach wants a hockey player like Tim Dugan. He back checks well, is a fine stick handler, and is a constant threat to the opposition.

Dugan was Birmingham Brother Rice's leading scorer Saturday night when the Warriors blew away Lake Shore, 8-5. Dugan scored a three-goal hat trick during the night.

Dugan started the scoring in the first period at 1:57. Lake Shore's Jim Corbett evened the score at 1-1 with three minutes on the clock.

Then, 36 seconds later, Jeff Dempierre circled the Shorians net and scored to give Rice a 2-1 advantage.

Lake Shore's Ron Eisenbrenner followed with a goal from the point to even the tally at 2-2. It looked like the first period was going to end in a tie until Dugan, once again, scored an unassisted goal to give the Warriors a 3-2 lead.

IN THE SECOND period, Lake Shore took the lead with two early goals by Ted Wahby and Matt Koslar.

But the Warriors changed things around quickly. Tim Dugan put in his third goal for the night at 10:16 to tie the score. Teammate Mike Maynard received a pass from Jeff Triest, and scored from the point for a 5-4 Rice lead.

Kevin Boes gave Rice a two-goal advantage, 6-4, shortly after the Maynard goal.

With only eight seconds left in the second period, Kerry Kennedy skated around the back of the net and scored from the edge of the crease to give Rice a secure 7-4 lead.

Eisenbrenner attempted to get Lake Shore back in the game with a third-period goal at 5:18. But that was the Shorians last score of the evening.

Rice's J.F. Carter ended the scoring with a goal at 12:43.

Brother Rice raises its record to 4-3. Rice will challenge Fraser on Monday, Jan. 14, at the Fraser Arena.

'Hot' jewels or cold glass?

A gem of an idea — This rip-off can turn into a "jewel of an experience" for the unwary shopper who listens to the spiel of a con artist trying to make him believe that he has a "hot" diamond ring or bracelet for sale at bargain basement prices.

With the consummate skill of a veteran stage actor, the con artist often goes through a complex routine — which characteristically might include frequent, furtive glances over the shoulder,

shifting of weight from one foot to the other or speaking in rapid, frightened and sometimes even whispered tones — designed to convince the mark that he is talking to an actual thief who has "hot" merchandise he wants to unload quickly.

Unfortunately, for those who succumb to this "academy-award" performance, the last act takes place in the pigeon's home when he discovers that this "hot" buy is actually a "cool" piece of worthless glass.
