

COME HOME...

TO A LOT MORE HOUSE FOR YOUR MONEY:

THE EXPANDABLE HOUSE

This exclusive PULTE design feature gives you more rooms for your money. You'll find up to 900 sq. ft. of additional unfinished space, which you can finish later when you really need the extra room. Or, depending on the house you choose, we can finish this convertible space into an oversized master bedroom with walk-in closet and private bath. Expandable space on the main level can be finished into a sumptuous family room or den. However you look at it, PULTE gives you a lot more house.

10 Years of protection

Through H.O.W. (Home Owners Warranty), we provide 10 years of structural insurance.
