

Three of the cars being polished for the car show and swap meet are a 1946 Ford convertible (left), a 1934 Ford pick-up and a 1934 Ford 5 Window Coup. About 300 cars are expected at the Ford and Mercury Restorers Club show.

Car show, swap meet July 7 at Ford Field

Dearbourn will again be the location of a big three-day swap meet and all-Ford car show sponsored by the Ford and Mercury Restorers Club. The show and swap meet will be held in conjunction with the V-8 Club of America's Eastern National Meet. This seventh annual swap meet will be held at Ford Field, on Friday, July 6, through Sunday, July 8.

Last year's attendance of 350 vendors has already been surpassed, with 400 vendors expected this year. The year's vendors will come from 20 states and Canada.

for their advance registration fee. Registrations for the day of the show will cost \$2 more than advance registrations.

Continuing last year's format, the club will operate the concessions providing fresh hot dogs, corn, pop, pastries, coffee, milk and ice.

THE AREA surrounding the field offers something for the whole family. Picnic and recreation facilities are next to the swap meet area, and downtown Dearborn shopping areas are within walking distance.

AN ANTICIPATED public attendance of 15,000 should find vendors offering both auto and non-automotive related items for sale.

The all-Ford car show will take place July 8 on the grass of Ford Field. All Fords, from antique T's to Mustangs, may enter this judged show. Trophies will be awarded to the top cars in each class.

Car show participants will receive a three-day family swap meet pass and a commemorative mug.

Ford Field is one mile west of Southfield on Morrice — two blocks north of Michigan Avenue. There is a small admission charge for each adult.
