

**What's so GOOD about your
Eccentric Newspaper
is quite often
what your
Eccentric
Newspaper
ISN'T**

The Eccentric is good because it isn't out of date a few hours after you get it on Monday and Thursday afternoons. It's good for an entire week of information, enjoyment and current community events.

Of course your Eccentric isn't a source for late-breaking world news, but it IS the greatest source of news for what's happening around town. It allows you to keep up on new zoning ordinances, what's happening at city hall, clubs in action and what's going on at the school—news that's important to you and your neighbors. The dailies don't give you this kind of news. It isn't their goal in life. But it's ours. We get you where you live!
