Police in search of hit, run driver

A township teenage girl was reported in critical condition Wednesday in Pontiac St. Joseph Mercy Hospital's intensive care unit as a result of a hit-and-run accident in West Bloomfield around 10:55 p.m. Tuesday.

West Bloomfield police refused to release the name of the man they are seeking for questioning. However, they have his car.

The suspect, who lives in West Bloomfield, had not been located as of Wednesday morning.

Donna Cullen, 15, of 4310 Greendale, was walking on Richardson Road near the Middlefield intersection with an unidentified friend when a four-wheel drive vehicle pulled out to pass another

car hitting the girl, according to Sgt. Robert Scott.

"From debris left in the roadway, we knew there was damage to the left front of the suspect's vehicle. Our officers located the vehicle parked in a driveway about a half-mile away," Scott said.

"His (the suspect's) wife said he wasn't home. At the moment he is wanted for questioning," said Scott.

The vehicle was impounded and towed to the Michigan State Police Laboratory in Northville for tests.

Hospital spokesmen said Donna is suffering from several internal injuries.
