Auto Test Expanded To Colleges

DETROIT
Dates for the national finals of the 22nd annual Plymouth "trouble shooting contest" have been set for June 15, 16 and 17 at the famed "500" Speedway in Indianapolis. Glenn E. Wolfe, general manager of the Chrysler-Plymouth Division, announced.

This will be the third consecutive year that the national championships of this award-winning youth event have been held in Indianapolis.

The post-high school classification was added to the contest in 1969. Moore explained that this allows junior colleges, community colleges, vocational training centers, etc., which have regular auto shop programs, to enter the contest. Teams from a total of 27 states participated in the post-high school classification in 1969.

Local contests where 1970 national finalists are determined will be held across the country during March, April and May next year.

Interested auto mechanic students and schools can obtain information about the contest by contacting the Chrysler-Plymouth Division, P.O. Box 1658, Detroit 48231.

Each participating school selects, through intra-class competition, two auto shop students for its team. Every contest consists of two competitions, a written exam worth 30% of a team's final score and a mechanical challenge, which puts the theory into practice, that is worth 70% of the overall score.

Purpose of the Plymouth Trouble Shooting Contest is to encourage mechanically-inclined young men to complete their education and to seek rewarding careers as auto mechanics.

Since the contest was originated by Plymouth in 1949, trouble shooting has placed more than 16,000 young men in full or part-time jobs as auto mechanics. Since the contest became a national event in 1962, the Division has made available scholarships for 146 students.

Bloodmobile Due Dec. 18

There's no better time than the holiday season to give the most important gift of all -- blood, the "gift of life." Take time out from your gift shopping and holiday preparations to stop in at your local bloodmobile and donate a pint of blood.

The Red Cross bloodmobile will be at Northwest Regional Red Cross office, 21225 Five Mile, Livonia, on Thursday, Dec. 18, from 2 to 8 p.m. Call 422-2787 to make an appointment to donate.

December blood collections are usually quite low -- yet, blood needs are very high. It is important for all to take advantage of this conveniently located bloodmobile to make blood available for community needs during the holiday season.
