BALANCED DAIRY RATIONS

A Dairy Ration like a prescription requires a correct formula. If you are not getting the profit you should out of your herd, your ration needs correcting. Feed like corn and bats will keep the cows alive, but will not produce a large flow of milk. We carry several good balanced dairy feeds such as LARRO, BIG SIX, CREAM CITY and SUCRENE. If you prefer to mix your own ration, we have the following ingredients:—BRAN, MIDDINGS, BEET PULP, COTTON SEED OIL, OIL MEAL, BUFFALO-GLUTEN, CORN MEAL and GROUND OATS.

The Ford Coupe

THE Ford Coupe is surely the Salesman's car. Thousands of them are bought every year by firms employing traveling salesmen. Many firms buy fifty or one hundred at a time because they know, from experience, that the Ford Coupe increases the efficiency of the salesmen at a minimum of expense.

Contractors, builders, collectors, solicitors, physicians all find the Ford Coupe the most convenient as well as the most economical among motor cars. Lowest in purchase price, lowest in operating costs, and backed by the Ford Service organization—coupled with the durability of the car itself—these furnish the reasons for the Ford popularity.

Let us send you a copy of "Ford—A Business Utility." It tells what other concerns have learned about the Ford in business service. But, better still, let us have our order today. The demand keeps growing. Orders are filled in the order as received—and our allotment is limited a specified number each month.
