TWO BLADES OF GRASS

To make two blades of grass grow where only one grew before has always been considered a laudable action.

The farmer who succeeds in doing this must possess business training along with his knowledge of farming.

A check account with this bank will help to establish your credit and put you on an equal business footing with the merchants with whom you deal.

THE UNIVERSAL CAR

A Truck for City, Farm. and Deliveries

IN the few years it has been on the market, the Ford One-Ton Truck has mounted rapidly to popularity. During the past year, more than one-third of the total number of trucks sold in the United States, were Ford One-Ton Trucks. It is a record of achievement made entirely on demonstrated merit.

Wherever the Ford Truck has been used—on the farm, in the city, its sure, economical service and simplicity have made it a success. So that today it is a necessity for the wholesaler, the retailer, the farmer. It offers efficient and economic hauling for every business. Demountable Rims and Pneumatic Tires.

The Ford One-Ton Truck costs less to buy than any other truck; it costs less to operate and less to maintain. Added to this, is the Ford service organization; spare parts and Ford mechanics are always convenient and ready to keep Ford Truck on the job. The Ford Truck cuts delivery costs. Because of increasing demand, orders should be placed without delay. We will give you prompt attention. If you have any doubts on the subject drop into the undersigned Authorized Ford Dealer and get further facts.
