**We get our wire shipments direct**  
We are able to get wire to first hands in buying our wire fencing.  
Its good QUALITY and our PRICES must be RIGHT because we sell more and more of it all the time.  
We carry a good plain fence wire and barbed wire, too.  
We are careful always to keep a good line of mesh wire on hand, because so many are using it to fence in gardens, keep the fowls in place, and we also carry the kind you can use for fencing in your hogs.  
This kind of fencing is also fine for protecting trees and making trellises.
