THE NEW EDISON-

The Phonograph With a Soul

Has Come To Farmington and Vicinity

The New Edison is not a talking machine. It is the only instrument ever invented that RE-CREATES the human voice and the music of human played instruments. By RE-CREATES we mean that there is not a shadow of difference between the renditions of the living artist and the New Edison's RE-CREATION of them. If there is any doubt in your mind on this point, permit us to dispel it by informing you that over fifty Edison artists (great singers and instrumentalists have submitted the New Edison to the conclusive test of a side-by-side comparison.

CANNOT BE DISTINGUISHED FROM LIVING VOICES.

These tests have been made before almost four million music lovers and the music critics of several hundred of America's leading newspapers, who were mystified by hearing the New Edison match living voices instrumental performances so truly that their ears failed to distinguish the living voice of instrument from the New Edison's RE-CREATION of them.

Do You Know The Facts About Building Costs?

THE BIG BUILDING PROGRAM THAT WAS EXPECTED IN 1920 FAILED TO DEVELOP. THE COMPLETE CESSATION OF BUILDING HAS CAUGHT THE MANUFACTURERS WITH BIG STOCKS OF LUMBER WHICH THEY HAVE BEEN FORCED TO SELL AT ALMOST COST.

In Our Opinion, Right Now is a Good Time to BUILD.

But it's only fair to tell you that this condition may be only temporary. The country is four years behind in building requirements short more than a million homes. Our own town is short one hundred homes. When people begin to do this long delayed building, the law of supply and demand will regulate prices and it is natural to expect increased prices.

We can show you a substantial saving in every item in our line. If you are planning to build, remodel, or repair, come in and let us give you some figures. Then when we show you the actual savings over last year's prices and show you how favorably present costs compare with those of 1914. Make your own decision.

BEGIN GETTING THE BENEFIT. NOW. DON'T DELAY.
