WOMEN OF MIDDLE LIFE

A Dangerous Period Through Which Every Woman Must Pass

Practical Suggestions Given by the Women Whose Letters Follow

to carry women safely through the Change of Life. She says:

"It is with pleasure that I write to you thanking you for what your wonderful medicine has done for me. I was passing through the Change of Life and had a displacement and weakness so that I could not stand on my feet and other annoying symptoms. A friend told me about Lydia E. Pinkbam's Vegelable Compound and the first bottle heiped me, so I got more it cured me's and I am now doing my housework. Your medicine is certain that and I am now doing my housework. Your medicine is certain that we had a mental to the stand of the cured me's and I am now doing my housework. Your medicine is certain Listens, 608 Frank Street, Adrian, Mich.

Lydia E. Pinkham's Private Text-Book upon "Allments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine (Co., Lynn, Massachusetts. This book contains valuable information.

IMPROVED ROADS

ROAD CONSTRUCTION IN 1920

Distinct Shortage of Labor and Higher Cost c. Materials Among Difficulties Encountered.

Every kind of road cost about twice as much to build in 1920 as it did but 1917, necording to the chief of the burean of public roads, United States Department of Articultures, and high-way constructing, utferred more than any other class of work through rail-road congestion, strikes, libor troubles, and material shortness. After the war there was a great public demand for imprived roads. Many roads had been been usually damaced by war traille, and it appeared that the return of not from military service would new yiele, a shundance of

ROAD SOILS DIFFER WIDELY

Just What Characteristics Are Which Highway Engineers.

Highway Engineers.

The federal bizhway engineers point out that solds differ widely in their ability to support loads, particularly when they are wet. That why this is true and that what are the characteristic which make them different is little understood at present. It is that is belief, investigation of iterasing import fee because of the growing volume of heavy traffic, have for the federal investigation, expect to secure important in proximon.

ADVANTAGES 0 PAVED ROADS

Give Ever-increasily Share of Service in Providing Sa'e Hishways for Motor Fratie.

Paved roads are giving an ever-increasing share of service in providing safe, permanent, dependable highways for heavy motortruk traffic relieving railroads of much short hab, lessening terminal congettion and in these ways making the handling and shipment of supplies much easier.
