You Can Have A Good Office Position

which pays you well and offers a good chance for advancement, if you will complete The Business Institute training.

"There is always room at the top," and there is always a place for the thoroughly trained young man or woman in business life.

The Business Institute is by far the largest business school in Michigan, and it is one of the leading schools of the kind in America. It has more well-qualified, capable teachers and a much larger equipment than any school in Detroit. It is the only business school in Detroit occupying an entire building. These statements can be readily verified.

The remarkable success of The Business Institute is the result of modern courses of study, thorough instruction, and good positions secured for graduates. The success of The Business Institute is the direct result of the success of Institute graduates.
