Soup Solo.

A little girl was annoyed by her sister's imitations of her soup. She became restless and finally in spite of elders present at the table, she said: "I hear you enjoy your soup, Elsie."—Lawrence Telegram.

Beginning of Modern Menageries.
The ancient Romans and Greeks kept in captivity leopards, lions, bears, elephants, giraffes, camels, rhinoceroses, antelopes, ostriches and crocodiles, held for slaughter at the gladiatorial shows. It is from the great menageries and royal persons who frequently kept menageries of wild animals, aquaria and aviaries that the modern public gardens have their origin.
