

Can't Explain It

"One thing I can't explain," said Deacon Haggood, "and that is as to why woman's dresses are getting shorter in the skirt and lower in the neck, and yet are higher in price."

Deacon, we can't explain it either. Many a YOUNG girl these days argues with her mother that she is now OLD enough to wear short skirts! Times have changed, that's all. Old-fashioned folks kept their money hid somewhere about the house unless the burglar beat them to it. Now they keep their money in the bank and pay by check and are taking no chances. Be progressive.
