

SPENT HALF HER TIME IN BED

Farmer's Wife Tells How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman

Carter's Creek, Tenn.—"Three years ago I was almost an invalid. I spent half of my time in bed, being afflicted with a trouble which I do not think is common to women of a certain age are apt to have. I took Lydia E. Pinkham's Vegetable Compound Tablets and used Lydia E. Pinkham's Vegetable Compound. I am a well woman now and have been for two years. I can work as well as any one who is younger and as I am a farmer's wife I have plenty to do for me. I cultivate my own garden, raise many chickens and do my own housework. You may publish this letter as I am ready to do anything to help other women as I have been so well and happy since my troubles are past. Mrs. E. T. GALLOWAY, Carter's Creek, Tenn.

Most women find plenty to do. If they are upset with some ailment and troubled with such symptoms as nervousness, headache, dizziness, etc., Mrs. Galloway had the best remedy that seems a mountain.

If you find it hard to keep up, if you are nervous and irritable, without emotion and out of sorts generally, give the Vegetable Compound a fair trial. You believe it will help you greatly, for it has helped others.

WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, the cause the other organs to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medicine or large size bottle immediately from any drug store. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper—Advertisement.

MAN TO BE CONGRATULATED. Poor Bookkeeper Was losing His Rejoicing Over the Arrival of Twins by P. K. Y.

"Reformers can talk up all the evils of race suicide as they will, nobody in these days of high birth rates considers a large family a blessing."

"I am rejoicing, sir," said Bunker, the poor bookkeeper, "over the birth of twins."

"Humph. Congratulations," said the boss dubiously.

"Oh, said Bunker, don't congratulate me, sir. Congratulations to George Evans, my worst enemy. He's the lucky man."

One of the oldest combinations sometimes found is patience and poverty.

It never occurs to a boy to estimate how many dollars his dog is worth.

What you do at noon often has more influence on sleep than what you want and hope for, at midnight.

Coffee's drug element, caffeine, whips up the nerves, and when its use is continued there's usually a penalty which no amount of mental effort can avoid.

The part of wisdom, as so many thousands have found, is to turn away from nerve-stimulation and adopt rich, delicious Postum as the mealtime drink. Postum delights the taste, but brings no disturbance to nerves or digestion. Even the little children can share in the enjoyment of Postum at any meal.

It's better to anticipate warnings than to be driven by them.

It's better to encourage and preserve sound nerves and complete health than to listen to the clock ticks at night and say, "I wish!"

You can get Postum wherever good food or drink is sold and served. An order today may be the beginning, for you, of the great satisfaction and comfort which so many others have found in Postum.

Your grocer has both forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

HERE IS IDEAL PHILOSOPHER. Happy Man Gets Rid of Trouble by the Simple Process of Burning Them Up.

"By George, but this is a fine day!" exclaimed one man as he met another on the street.

"Yes, so it is," was agreed. "You are looking very happy this morning."

"Happy? I haven't been so happy in three months."

"What has occasioned your happiness?" was asked.

"When my mail came in an hour ago it brought to me a coal bill, a bill from the grocer, a letter from my landlord raising my rent, and a doctor's bill two years old. Also a notice that my taxes had not been paid and a gas and electric light bill."

"It was enough to fairly crush one and I can't see how you can be happy."

"Why, it is a very simple thing. All I had to do was to put the bills in the fire, and forget all about their arrival. Yes, sir, it is a mighty pleasant day. When you have trouble on your mind the best way is to burn it up."
